Cowbells

The cow bell rules are: If you get stuck and are unable to move under your own power and need the help of a winch or you get strapped from one of your fellow jeepers then you have earned the privilege of hanging a cow bell from your front bumper. You must leave the cow bell on the front of your rig until another Dirt Devil gets stuck then, you can proudly hand it over. This starts at the beginning and the end of the trail, not on the highway.
