

HAM RADIO GENERAL EXAM QUESTION POOL W/ ANSWERS

Postby poprocks » Sat Jun 25, 2016 1:57 pm

This is the pool of questions used for the Ham Radio General Exam (Elements 2 and 3). This pool is effective July 1, 2015 and is valid until June 30, 2019. The General level is an upgrade to the Technician license (Element 2) that allows access to all VHF/UHF Amateur bands and most HF privileges (10 through 160 meters).. The General license exam is a 35 question test drawn from this question pool of 461 questions. You must correctly answer a minimum of 26 questions on the exam to obtain a General license.

Exams scheduled in your area may be found using <http://www.arrl.org/find-an-amateur-radio-license-exam-session>
